

## Favorite Scripture – Betty Hatley (2021)

### Scripture – Book(s) and Chapter(s):

Philippians 4:13

### Scripture passage(s):

*I can do all things through Christ which strengthens me (KJV).*

### Why this is my favorite scripture:

Over the years, this seems to be the verse I always think of. Whatever I'm attempting to do, whatever my goals have been or whatever hurdles I have faced, I trust this verse to give me confidence that Christ will give the strength and encouragement to see it through.

### What it provides me:

Hope, strength, encouragement and trust

### What I hope it brings to others:

Teach us father to look to Jesus ever moment of the day for strength and encouragement that only you know.

Amen
